 Community Safety Promotion

Designated Safe Communities in Asia

**This Form is for those safe communities which have been certified as a WHO safe community.
 For those new safe communities, please use ASCN Form 2,
 a copy of which can be downloaded from ASCN website**

To help us to compile a Directory of safe communities in Asia, we appreciate if you could kindly complete the following information of your community. The information will be used to update your record in the WHO CC website (http://www.phs.ki.se/csp/who_safe_communities_network_en.htm) and the ASCN website (www.asiasafecommunity.org).
